1

343

A1

Electricity / Petrol

User Notes:

Provide the answers to all tasks on this sheet.

All answers must be formula-based, not simple/static data values.

Each formula can either be a simple formula which links to another cell in the workbook, such as a cell in a summary table, or a complete standalone formula using all the necessary functions.

Do not insert/remove any columns/rows inside the blue zone on this sheet, or move any of the Answer cells, or rename this sheet

Part C

Answer:

21

2018

22

2021

23

2023

24

2019

25

2019

Part D

Answer:

To add a new journey, select car and driver codes, input mileage, then click 'Add Journey'

Car Code:

ABARTH1

Driver Code:

F0013

Mileage:

0

To add a car, first select a manufacturer, then model, then fuel type, then year- then click 'Add Car'. Please make sure that you add a car that exists in the data to avoid errors!
